All teams will have a set two days per week practice schedule. During the summer, teams will have a set two days per week schedule. It is imperative that you make every effort to make practices. Please refer to our holiday schedule and dead week schedule when booking trips/vacations when possible. Practice times usually remain consistent throughout the season and may only change under special circumstances. During important times of the season, additional practices may be scheduled.

COST / TUITION

Before considering this or any program, please consider the financial commitment involved. ICE has the finest staff and the most state-of-the-art facilities in our sport. We have comprehensive monthly pricing that covers most of the expenses throughout the season. Once the initial cost of \$500 is paid for uniforms, practice wear, competition bow and choreography charges, There are 4 monthly charges of \$150 from July 2025 -October 2025. Tuition will be due on the 1st of each month. This price covers facility and coaches fees. Tuition will not fluctuate from month-to- month. Rather than raising and lowering tuition based on the number of practices or events (or other factors), this cost averaging system makes financial planning much easier for our customers. Although others may advertise lower rates, ICE's overall value per dollar is highly competitive. There will be an additional cost of \$150 dollars per athlete if the team earns a bid to compete at State.

ICE Heat Teams will compete in 4 local ICA competitions to work to earn their bid to ICA State in November.

REFUND POLICY

No refunds will be provided of any kind for any reason. The initial fee is owed at time of registration and will immediately apply to ordering uniforms, practice wear and bow in addition to securing each teams spot at competitions. The monthly tuition is also nonrefundable as it goes toward practice space, choreography, music and coaches costs. If your athlete chooses to leave before the season is over or if your athlete is removed from the team for absence or other issues, no refunds will be provided.
